

## REMARKS

Claims 1, 2, 7, 8 and 10 through 12 are amended. Thus, by this Amendment, Claims 1 through 12, as presently amended, are presented for examination.

Replacement drawing sheets (2) are submitted in which the legend "PRIOR ART" is added to Figure 2 in accordance with the Examiner's previous objection.

The Examiner has indicated that all claims of the application define patentable subject matter subject to a number of clarifications and corrections of errors of a typographical nature. The present amendments made to the claims herein address each of the matters raised by the Examiner.

As the present Amendment does no more than respond without traverse to each of the pending matters raised by the Examiner, this application is presently in condition for allowance. Prompt allowance and issuance of all pending claims are therefore earnestly solicited.

Respectfully submitted,
